

# SUBSIDIES FOR ARMS COMPANY EXPORTS: £700 MILLION A YEAR

Public money helps push weapons sales to dictators and human rights abusers

# 30,000 NURSES' JOBS: £700 MILLION A YEAR

56,000 jobs in the NHS are expected to be lost

You'd think the choice was obvious.

**SAVED:** Destructive military spending is still a massive £39 billion each year.

**CUT:**

- NHS “efficiency savings” £20 billion by 2015
- Social housing £4 billion a year
- Sickness benefits £2 billion a year
- Youth services £200 million so far
- Mental health services £150 million so far
